Used 2008 21' Correct Craft Crossover Air Nautique 211 V-Drive Inboard Wakeboard Boats For Sale

The Mission Bay Aquatic Center is selling it's fleet of 2008 Correct Craft Crossover Nautique 211 wakeboarding boats. The boats are immaculately maintained and have been modified for salt water use, equipped with anti-corrosion features such as freshwater cooling, stainless steel fasteners and epoxy paint. This is a great opportunity for buyers who have dreamed of owning a Nautique.

You will not find a boat that has had more hours of preventive maintenance per hour of use! Correct Craft studies have shown this boat to be the most fuel efficient wakeboarding boat currently on the market.

If you would like more information, pricing, or want to reserve a boat, please contact Glen Brandenburg at (858) 488-2040 x210.
