Subject: Mission Bay Park Committee Meeting- February 7th, 6:00 PM
Mission Bay Room, Paradise Point Resort

Dear Supporters,

We have been given the date and location for our presentation to the Mission Bay Park Committee, where they will make their recommendation to the San Diego Park and Recreation Board concerning the Mission Bay Aquatic Center's lease renewal. The meeting will take place on February 7th, at 6:00pm in the Mission Bay Room of the Paradise Point Resort (see attached map).

Your support at this meeting is critical to earning the recommendation for approval of our lease renewal by the Mission Bay Park Committee. We encourage you to sign up to speak to the Committee in support of approval of our lease renewal (speakers will be limited to 1 minute) and tell how you, your family, your group, or the San Diego community benefits from MBAC programs. We need the Committee to hear all the wonderful services we offer straight from our users!

If you don't desire to speak, your attendance and enthusiasm is still very critical to showing the Committee how strongly you feel about the MBAC.

We know that with your help and support that we can secure the approval of the Mission Bay Park Committee for our lease renewal. Thank you for your strong support of the Mission Bay Aquatic Center.

Respectfully,

MBAC Staff
